The #SorridiConGliOcchi campaign by the iconic children's clothing company has been set up to assist the Fondazione Ospedale Pediatrico Salesi of Ancona (Salesi Children's Hospital Foundation) with the donation of face masks for children who need to visit the hospital for outpatient appointments. The masks will also be supplied as co-ordinated special gifts to shoppers who buy items of clothing from the Simonetta.it e-shop, the Milan store in Via Manzoni 42 or any licensed wholesalers.
