

AUTUMN WINTER 2023 - 24

The **Autumn-Winter 2023-24** collection by Caffè d'Orzo is inspired by autumnal nature and recounts the retro style of the brand through colours that recall the earth and soft fabrics in natural fibres. The Italian brand creates romantic head-to-toe looks to be worn every day and on special occasions, for girls with a minimalist and original sense of style.

The colour **palette** blends into a chromatic journey inspired by the tones of autumn foliage: the variegated greens are linked with the bright and decisive tones of petrol and black, while the dusty hues accompany fuchsia in all its many forms. Pink, plum and cyclamen recall the beauty of the flora, together with natural tones of dove grey, pumpkin and terracotta, which provide a sense of enveloping warmth.

The sophistication of the **fabrics** elevates minimalist looks: soft and enveloping corduroy is accompanied - this season - by taffeta dresses that enrich the most precious part of the collection with combinations of duchesse and silk.

Bucolic allure is proposed in its autumnal variant with a pattern boasting micro and maxi flowers on culotte trousers and balloon skirts. Wool lace and fluid viscose - in delicate shades of latte - characterise pure white shirts and dresses, perfectly enhancing the retro spirit of the collection.

The diamond-pattern **knitwear** features hemmed *bouclé* fringe detailing on coordinated sets and tricot-knit capes, designed for a sophisticated style, even on gloomy afternoons in the midst of nature.

The **coats** are the protagonists of autumnal looks; featuring the collection's prints and characterised by bon-ton styling, they conjure up images of French charm owing to their characteristic collars.

The **accessories** complete the most romantic of looks with taffeta brooches and headbands boasting maxi bows, while caps and hoods - combined with scarves - play down the brand's imagery.

The **New born** capsule collection re-produces the most iconic styles of the junior line, downsizing them appropriately, with soft and elegant shapes designed for the most important occasions.
